

AMENDMENTS TO THE SPECIFICATION:

10/540218  
JC17 Rec'd PCH/PTC 20 JUN 2005

Please delete the paragraph beginning on page 4, line

21.

Please add the following new paragraph after the paragraph ending on line 20 of page 4:

--The present invention according to claim 3 provides a running toy,

wherein a trailing arm is provided with a hole portion passing through in a vertical longitudinal direction in the middle thereof, the hole portion having the same diameter as that of a hollow cylinder in a lower portion, and, in an upper portion, a larger diameter than that of the lower portion, and wherein the lower portion opens and covers a vehicle body, whereas the upper portion opens in the other side of the vehicle body, and a stepped portion is provided therebetween.--

Please delete the paragraph beginning on page 7, line

3.

Please add the following new paragraph after the paragraph ending on line 2 of page 7:

--The present invention according to claim 9 provides a running toy suspension system,

wherein a trailing arm is provided with a hole portion passing through in a vertical longitudinal direction in the middle thereof, the hole portion having the same diameter as that of the hollow cylinder in a lower portion, and, in an upper portion, a larger diameter than that of the lower portion, and

wherein the lower portion opens and covers a vehicle body, whereas the upper portion opens in the other side of the vehicle body, and a stepped portion is provided therebetween.--
